To Whom It May Concern:

Please accept this additional documentation as petition for Reinstatement of Class C Charter Certificate for Cliffco, LLC D/B/A Compass Transportation. Our company began a total corporate reorganization and recapitalization in June 2010 after losing the single credit line that supported our business operations and payroll. We closed our garage/ office, cut personnel and ceased operations short of shutting down the business completely. Working with a corporate attorney, we have made key changes to the ownership structure and business entity and anticipate further changes into 2011 that will allow the business adequate access to resources needed for ongoing operations. It was an unfortunate series of events beyond our control and lack of access to operational capital that caused the temporary shutdown.

Kindly understand that my financial responsibility to this company is significant and I would like to begin operations again as soon as it is deemed possible. The last year or so in this industry has been very difficult and we hope to be poised for the future with no snags moving forward. I very much appreciate any help and guidance provided by the ORS and the Public Service Commission and can be reached directly on my mobile at 843-324-2358. Thanks in advance for your assistance.

With kindest regards,

Jason M. Cronen
